

Support The Boardwalk

Fundraising has begun to re-open, maintain & refurbish The Slashpond Boardwalk!

This beautiful, popular amenity will benefit from a group of enthusiastic volunteers taking good care of it!

The Boardwalk group is a sub-group of the constituted Havens Community Forum and as such will be applying for grant funding to enhance the boardwalk, widen its appeal and to refurbish it with durable, long-lasting materials

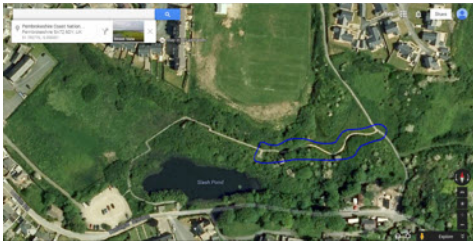

YOUR DONATIONS are received with the greatest of thanks and can be posted here – cheques should be made payable to:
